To minimize waiting times, we encourage patients to arrive between 6:00 pm and 6:30 pm. These patients will be seen within 15 minutes. Patients arriving after 7:30 pm should expect waiting times up to 1 hour before being seen by a physician. First come, first served.

Directions:

- Go to main entrance at Terrace St of Montefiore Hospital (7th Fl).
- Then take elevator to 9th Fl.
- Turn right to the Internal Medicine Clinic.

The Free Clinic is a Screening Clinic. We provide free medical consultation and Chinese language interpretation. We provide free testing for high blood pressure, eye examinations by ophthalmologists, dental evaluations with advice for dental care by dentists, prostate exams, etc. We also provide free laboratory testing for cholesterol, liver function tests, kidney function tests, anemia, diabetes, etc. Gynecologists will provide physical examinations for breast cancer and pap smears. We do NOT provide long term care for chronic medical problems. We provide referral information to Chinese-speaking physicians in various specialties.
